## VEHICLES

**1929 Chevrolet 2-Door Sedan** - 6-cylinder, new carb and fuel pump. Older restoration in good condition. Located in Waverly VA. Contact Chuck Elder at 804-691-8039.

**1930 Frankin Victoria Brougham - Asking price \$19K.** - Close coupled sedan with side mounted spare tires and a rear trunk. Air-cooled engine. Listed in the 2020 Franklin Register as PR (partly restored). Most of the restoration work done to the car was to keep it in running condition. The rear seat is in original condition. The front seats are covered. Neil purchased the car in 1970 and we drove it many thousands of miles before the highways got too crowded and dangerous. It was then taken to the Franklin Trek in a car trailer and enjoyed on the back roads of New York for many road runs. Marty Sugermeier (757) 761-1244 or email [tcsugemdragonfly@yahoo.com](mailto:tcsugemdragonfly@yahoo.com). Send me a text and I can send you pictures.

**1931 Willys Knight- Asking price \$19K** - Purchased from George Sugermeier's estate in 1981. He had worked for a Willys Knight dealership as a young man, so he bought the car back in the 1960s. It was a chauffeur driven, low milage car that he drove only a few times. It was kept in a dry basement garage. It has spare tires in the front fenders and a rear trunk. The car has been shown at several AACA National shows earning the highest level in HPOF. The only modifications on the car are to powder coat the wheels and repaint the left front fender. We thought that the paint had been rubbed thin by the wool uniform of the chauffeur while waiting for his boss. There was a slight rain at one of the meets and rust was showing, so Neil repainted it. It has a sleeve valve engine. Marty Sugermeier (757) 761-1244 or email [tcsugemdragonfly@yahoo.com](mailto:tcsugemdragonfly@yahoo.com). Send me a text and I can send you pictures.
