## Lucky Charms Tour Report

We had a wonderful day and did a great job maintaining our schedule. As the day progressed, the sun came out. We visited the Jamestown Island and the Jamestown Rediscovery. This is the non-profit that has been conducting significant archaeological digs at the Jamestown site. Our tour guide was outstanding. We relocated for lunch at the outdoor Billsburg Brewery located by a marina and a creek that leads to the James River. The food truck burgers and fish were delicious. We learned a lot about Jamestown. Upcoming next mini tour will be Williamsburg. Look for details in May. (Story and photos submitted by Donna Elliott)
