## York Post Acute Care Facility Visit

Tony Scarpelli, George Bennett, and Al Crane - members of the Historic Virginia Peninsula Region AACA - brought their vintage cars to the York Post Acute Care Community, in Yorktown VA on Thursday May 12, 2026 A real treat for the residents, staff, and health care workers. We had a great surprise to see and talk to Jock Powell (a former active member of the Cruisers and the Williamsburg British Car Club) recovering at the facility. A good friend of his had bought Jock's 1966 Morgan and had it on display! Had a great time sharing stories about, cars, flying, and Air Force service. (Story and photos by Al Crane.)

## HVPR at Autozone Open House

Several members of HVPR attended the Auto Zone Warehouse Open House at Kiln Creek held on Thursday May 14th from 9 AM to 4 PM. Those from our group included Al Crane, Jonathan Smith, Tony Scarpelli, Keith Colona, and Joe Amos. A walking tour was given of the 30,000 square foot facility with a description of how merchandise flows in and out and inventory control protocol. This center opened in January 2026 taking over part of the old Kmart store and was an array of vendors in attendance promoting the newest technology in car lifts, diagnostic equipment, and power operated automotive hand tools, etc. Some of the newest AutoZone premium parts were also showcased including brake pads and suspension parts. A delicious free meal was also provided to everyone in attendance as well as raffle drawings for prize giveaways. All in all it was a very educational activity for those in attendance and another terrific car event for HVPR members to enjoy. (Story and images by Jonathan Smith.)
