HVPR at the AACA Grand Nationals!

AACA's best show of the year is the dual event of the Zenith Awards and the Grand Nationals, held this year at Allentown PA. Every vehicle entered has at least gotten an AACA Senior Award, which translates to 'Wow' when you go on the field. Held on the amazing grounds of the NB Center for American Automotive Heritage, the show features hundreds of the best cars shown all year. HVPR was well represented both on the field and in the show. Grand Nationals participants included Keith Collona's 1946 Lincoln Continental once owned by actor Clark Gable, Bob Stein's EV Warrior moped, Sam Kern and Judy Hardings' 1942 Ford 'Jeep' GPW, **Roger Cross's 1967 Mercury Cougar XR-7**, Tony and Leslie Scarpelli's 1965 Pontiac GTO convertible, and Jim and Donna Elliott's 1998 Corvette Pace Car. Judging included Jim and Donna Elliott, Terry and Susan Bond, Tony Scarpelli, and Bob Stein. The facility, once a drive-in movie theater, still has the projector and screen, and had room for all of the hundreds of vehicles. The best news, however, was the weather, which had been expected to be very rainy - the cloud cover and a light breeze kept things very nice, with no rain until after everyone left!

Find Out About the HRBT Project September 17th!

Ryan Banas will be speaking on the Hampton Roads Bridge Tunnel Project for the September 17th TRAACA Dinner Meeting. I am sure every one of us have had the adventure of traveling through the HBRT as it has been under construction! This will give us an opportunity to understand the complexities and challenges for this large undertaking. HVPR members are welcome, but you have to RSVP with Skip Patnone by the Sunday before.
