TRADE SHOW

If you own a business or provide a service that AACA members should know about, YOU should be a vendor at the trade show! The trade show is open both Friday and Saturday during the convention and will be located near the registration desk. Come showcase your products and demonstrate your services to the perfect target audience.

NEW for this year, we've added several benefits for our vendors including a unique way to ensure attendees visit your booth and a tremendous opportunity to expand your reach to all 45,000 AACA members. **YOUR COMPANY NEEDS TO BE AT THE TRADE SHOW!**

ATTENTION REGIONS & CHAPTERS

You are invited to promote your local shows and tours at the convention in two ways...

1. There will be a special table inside the trade show room where you are encouraged to put your flyers, brochures, save-the-date cards, etc. If someone from your region/chapter will not be attending the convention, you are more than welcome to mail your promotional materials to AACA National Headquarters (800 W. Hersheypark Drive, Hershey, PA 17033) before the convention and we will be glad to take them for you.
2. During Friday evening's Regions & Chapters dinner, we will be holding an open mic session like we normally do. A representative from your region/chapter can stand up at that time and do a ONE-MINUTE commercial for your local show or tour. We will be on a strict time schedule that evening because of the casino night event, so PLEASE follow the ONE-MINUTE protocol.

Just one more thing...

Please do not bring your region/chapter banners as we cannot hang them in this hotel.

SEMINARS

We know all of you are waiting patiently for the seminar schedule to come out, so you can plan which ones you will be attending. The schedule is still being worked on and has not been finalized yet, but as soon as it is we will make sure to send it out to everyone.

Thank you in advance for your patience as we work to put together a truly great educational and entertaining program for you.

**If you have any questions or issues, please call
AACA National Headquarters at 717-534-1910.**

We hope to see all of you in Chantilly in February!!
