## Car Clubs Bring Smiles and Memories

Members and friends of , the Historic Virginia Peninsula Region AACA, the Classic Cruisers Car Club- (CCCC) Yorktown Colonial Virginia Ford Model A Club, and The New Kent Cruisers, brought out their classic vehicles on a bright Sunny Day. to the Verena at the Reserve Independent Living Community in Williamsburg. The cars and conversation brought smiles and memories, to the residents, health care workers and staff . With 5 classic Mustangs present, we also celebrated the 60th Anniversary of that iconic automobile. "Dorothy" joined the gang sending her 60th Mustang greetings. We were treated with great hospitality and to a super BBQ Buffet & cold drinks by the facility. Participation of the Classic Vehicles in The event was coordinated by Tom Heldreth CCCC. ### VEHICLES

**1917 Studebaker ED Six Coupe/Touring project** - I've placed my entire '17 Studebaker project in a Hemmings No Reserve auction ending 25 Apr. This includes both an all-aluminum Willoughby Coupe body (only still existing) and a 7-pass touring body, a restored chassis with new wooden spoked wheels, multiple engine/engine parts, transaxles, starters, generators, carbs, distributors, everything it takes to restore either car, with boxes and boxes of spares - likely the largest hoard of duplicates and parts for this car on earth. Literature, ads, electrical, etc - 50 years of collecting. Much work already done. I would prefer to sell locally to a younger club member looking for a worthy project. Will help. **Andy Ott, text 757 748-6153**

**1929 Chevrolet 2-Door Sedan** - 6-cylinder, new carb and fuel pump. Older restoration in good condition. Located in Waverly VA. Contact Chuck Elder at 804-691-8039.

**1930 Frankin Victoria Brougham - Asking price \$22K.** - Close coupled sedan with side mounted spare tires and a rear trunk. Air-cooled engine. Listed in the 2020 Franklin Register as PR (partly restored). Most of the restoration work done to the car was to keep it in running condition. The rear seat is in original condition. The front seats are covered. Neil purchased the car in 1970 and we drove it many thousands of miles before the highways got too crowded and dangerous. It was then taken to the Franklin Trek in a car trailer and enjoyed on the back roads of New York for many road runs. Marty Sugermeier (757) 761-1244 or email [tcsugemdragonfly@yahoo.com](mailto:tcsugemdragonfly@yahoo.com). Send me a text and I can send you pictures.

**1931 Willys Knight- Asking price \$22K** - Purchased from George Sugermeier's estate in 1981. He had worked for a Willys Knight dealership as a young man, so he bought the car back in the 1960s. It was a chauffeur driven, low milage car that he drove only a few times. It was kept in a dry basement garage. It has spare tires in the front fenders and a rear trunk. The car has been shown at several AACA National shows earning the highest level in HPOF. The only modifications on the car are to powder coat the wheels and repaint the left front fender. We thought that the paint had been rubbed thin by the wool uniform of the chauffeur while waiting for his boss. There was a slight rain at one of the meets and rust was showing, so Neil repainted it. It has a sleeve valve engine. Marty Sugermeier (757) 761-1244 or email [tcsugemdragonfly@yahoo.com](mailto:tcsugemdragonfly@yahoo.com). Send me a text and I can send you pictures.
